

9.1 Compliance with local planning.

JSTRAVEL ensures compliance with legally based spatial planning, protected area regulations, and destination management strategies established by local, regional, and national authorities. We are committed to operating in a manner that respects local land laws and supports the implementation of municipal, regional, and destination plans.

We regularly review and update our destination files to stay informed about relevant regulations and management strategies. Additionally, we have implemented destination monitoring processes to ensure ongoing compliance with legal requirements and to adapt our operations as needed.

As a result of these efforts, AsiaJet can confidently declare that our activities align with the spatial planning, heritage protection, and destination management guidelines set forth by local, national, and international authorities.

9.2 Forbidden souvenirs.

JSTRAVEL strictly prohibits the promotion or purchase of souvenirs containing threatened flora and fauna species, historic or archaeological artifacts that have been illegally obtained, and any illegal substances, including drugs, in compliance with local and international laws.
